SOIL AND WATER CONSERVATION SOCIETY RAZORBACK CHAPTER 2019 SCHOLARSHIPS

Scholarship opportunities are one way SWCS fosters the science and art of natural resources conservation. SWCS encourages research that targets soil and water conservation by offering scholarships. The scholarships are for students currently in their sophomore or junior year. The student's major course of study must be in a natural resource related field and in good standing in their respective school. Three scholarships will be awarded by this chapter: 1st place will receive a \$1,500 scholarship, 2nd place will receive a \$1,000 scholarship, and 3rd place will receive a \$500 scholarship. These are one time cash scholarships awarded to the student. Applications must be postmarked no later than March 29, 2019. The financial assistance could be in your hands in time for the 2019 fall semester. Good luck!
